

**WILL YOU STAND  
FOR A FUTURE  
WHERE POVERTY  
CAN'T KEEP  
ANYONE DOWN?**

# Let's End Poverty is a diverse, growing movement of people who are united behind a vision for a UK where poverty can't keep anyone down.

We're working together as faith groups, charities, union members, businesses and civil society groups to call on our political leaders to make tackling and ultimately ending poverty in the UK a core priority, by:

- Committing to urgent action to stop rising poverty;
- Developing a coordinated, long-term plan to end UK poverty in collaboration with people with direct experience of poverty.

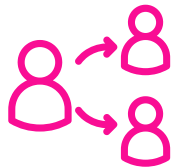

**BE A MOVEMENT BUILDER:** Sign up at [letsendpoverty.co.uk](https://letsendpoverty.co.uk) and come to our monthly online gatherings to join the community of grassroots activists working together to create change.

**SHARE YOUR STORY:** We all have a reason why tackling poverty matters to us. Tell others in your community or organisation why you are motivated to end poverty, and share your story with the movement when you sign up.

**TAKE ACTION:** Let's be loud and clear – ending poverty needs to be a priority for anyone with aspirations be in government. Will you write to your MP to ask them to take action ahead of the general election? Visit [letsendpoverty.co.uk/action](https://letsendpoverty.co.uk/action).

**INVITE YOUR COMMUNITY:** We need as many people as possible to stand with us and show that we're ready for change. Can you sign up as a group or organisation, and bring your platform and voice to the movement? Visit [letsendpoverty.co.uk/organisation](https://letsendpoverty.co.uk/organisation) to get involved.
